

# Christmas gatherings will be different in 2020

But just because your office can't have a big party,  
it doesn't mean you can't share a meal together.

Try out our Boxed Meal Party Package to enjoy safely at the office for groups of eight or more. Meals will be labelled with each individual's name for ease of distribution. All boxed meals are served hot excluding salads, and include cutlery, napkins, a cookie and a \$10 gift card for your team.
